USCB Financial Holdings, Inc. Reports Diluted EPS of \$0.23 for Q1 2024 and announces adoption of new 500,000 share repurchase program

MIAMI, FL – April 25, 2024 – USCB Financial Holdings, Inc. (the "Company") (NASDAQ: USCB), the holding company for U.S. Century Bank (the "Bank"), reported net income of \$4.6 million or \$0.23 per diluted share for the three months ended March 31, 2024, compared with net income of \$5.8 million or \$0.29 per diluted share for the same period in 2023.

"We are pleased to report a robust start to the year, marked by a strong increase in deposits of \$165.7 million from the close of 2023. This achievement reflects our diligent execution of strategic plans emphasizing organic growth, including business and retail banking initiatives to deepen existing relationships, new production hires, and innovative deposit-aggregating business verticals," said Luis de la Aguilera, Chairman, President, and CEO. The growth in deposits continues to bolster our capacity for safe and sound lending activities, delivering accretive quarter-over-quarter improvement in average loan coupon rates which contributes to interest income."

"Last month, we initiated a dividend program starting with a rate of \$0.05 per share, underscoring our commitment to delivering shareholder value," affirmed de la Aguilera. "Looking ahead to the coming year and evaluating our thriving Florida economy, we anticipate diversified sustainable growth in both loans and deposits."

Forward-looking statements are those that are not historical facts. The words "may," "will," "anticipate," "could," "should," "would," "believe," "contemplate," "expect," "aim, ""plan," "estimate," "continue," and "intend,", the negative of these terms, as well as other similar words and expressions of the future, are intended to identify forward-looking statements. These forward-looking statements include, but are not limited to, statements related to our projected growth, anticipated future financial performance, and management's long-term performance goals, as well as statements relating to the anticipated effects on results of operations and financial condition from expected or potential developments or events, or business and growth strategies, including anticipated internal growth and balance sheet restructuring.

These forward-looking statements involve significant risks and uncertainties that could cause our actual results to differ materially from those anticipated in such statements. Potential risks and uncertainties include, but are not limited to:

- the strength of the United States economy in general and the strength of the local economies in which we conduct operations;
- our ability to successfully manage interest rate risk, credit risk, liquidity risk, and other risks inherent to our industry; the accuracy of our financial statement estimates and assumptions, including the estimates used for our credit loss reserve and deferred tax asset valuation allowance; the efficiency and effectiveness of our internal control procedures and processes;
- our ability to comply with the extensive laws and regulations to which we are subject, including the laws for each jurisdiction where we operate;
- adverse changes or conditions in capital and financial markets, including actual or potential stresses in the banking industry deposit attrition and the level of our uninsured deposits;

- legislative or regulatory changes and changes in accounting principles, policies, practices or guidelines, including the on-going effects of the implementation of the
- Current Expected Credit Losses ("CECL") standard; the lack of a significantly diversified loan portfolio and the concentration in the South Florida market, including the risks of geographic, depositor, and industry concentrations, including our concentration in loans secured by real estate, in particular, commercial real estate;
- the effects of climate change;
- the concentration of ownership of our common stock;
- fluctuations in the price of our common stock;
- our ability to fund or access the capital markets at attractive rates and terms and manage our growth, both organic growth as well as growth through other means, such as future acquisitions;
- inflation, interest rate, unemployment rate, market and monetary fluctuations;
- impacts of international hostilities and geopolitical events; increased competition and its effect on the pricing of our products and services as well as our interest rate spread and net interest margin;
- the loss of key employees
- the effectiveness of our risk management strategies, including operational risks, including, but not limited to, client, employee, or third-party fraud and security breaches; and
- other risks described in this earnings release and other filings we make with the Securities and Exchange Commission ("SEC")

All forward-looking statements are necessarily only estimates of future results, and there can be no assurance that actual results will not differ materially from expectations. Therefore, you are cautioned not to place undue reliance on any forward-looking statements. Further, forward-looking statements included in this earnings release are made only as of the date hereof, and we undertake no obligation to update or revise any forward-looking statement to reflect events or circumstances after the date on which the statements are made or to reflect the occurrence of unanticipated events, unless required to do so under the federal securities laws. You should also review the risk factors described in the reports the Company filed or will file with the SEC.

Non-GAAP Financial Measures

This earnings release includes financial information determined by methods other than in accordance with generally accepted accounting principles ("GAAP"). This financial information includes certain operating performance measures. Management has included these non-GAAP measures because it believes these measures may provide useful supplemental information for evaluating the Company's operations and underlying performance trends. Further, management uses these measures in managing and evaluating the Company's business and intends to refer to them in discussions about our operations and performance. Operating performance measures should be viewed in addition to, and not as an alternative toor substitute for, measures determined in accordance with GAAP, and are not necessarily comparable to non-GAAP measures that may be presented by other companies. Reconciliations of these non-GAAP measures to the most directly comparable GAAP measures can be found in the 'Non-GAAP Reconciliation Tables' included in the exhibits to this earnings release.

⁽¹⁾ Loan amounts include deferred fees/costs. (2) Annualized.

⁽³⁾ Efficiency ratio is defined as total non-interest expense divided by sum of net interest income and total non-interest income.

⁽⁴⁾ Loan amounts exclude deferred fees/costs.
(5) The amounts for total non-performing loans and total non-performing assets are the same at the dates presented since there were no impaired investments or other real estate owned (OREO) recorded.

⁽¹⁾ Annualized.

⁽²⁾ Average loan balances include non-accrual loans. Interest income on loans includes accretion of deferred loan fees, net of deferred loan costs.

⁽³⁾ At fair value except for securities held to maturity. This amount includes FHLB stock.

⁽⁴⁾ Net interest spread is the average yield earned on total interest-earning assets minus the average rate paid on total interest-bearing liabilities.

⁽⁵⁾ Net interest margin is the ratio of net interest income to total interest-earning assets.

This presentation may contain statements that are not historical in nature and are intended to be, and are hereby identified as, forward-looking statements for purposes of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are those that are not historical facts. The words "may," "will," "anticipate," "could," " should," "would," "believe," "continue," "expect," "aim," "loan," "estimate," "continue," and "intend,", the negative of these terms, as well as other similar words and expressions of the future, are intended to identify forward-looking statements. These forward-looking statements include, but are not limited to, statements related to our projected growth, anticipated future financial performance, and management's long-term performance goals, as well as statements relating to the anticipated effects on results of operations and financial condition from expected or potential developments or events, or business and growth strategies, including anticipated internal growth and balance sheet restructuring.

These forward-looking statements involve significant risks and uncertainties that could cause our actual results to differ materially from those anticipated in such statements. Potential risks and uncertainties include, but are not limited to:

- . the strength of the United States economy in general and the strength of the local economies in which we conduct operations;
- · our ability to successfully manage interest rate risk, credit risk, liquidity risk, and other risks inherent to our industry;
- . the accuracy of our financial statement estimates and assumptions, including the estimates used for our credit loss reserve and deferred tax asset valuation allowance;
- · the efficiency and effectiveness of our internal control procedures and processes;
- . our ability to comply with the extensive laws and regulations to which we are subject, including the laws for each jurisdiction where we operate;
- · adverse changes or conditions in the capital and financial markets, including actual or potential stresses in the banking industry;
- · deposit attrition and the level of our uninsured deposits;
- · legislative or regulatory changes and changes in accounting principles, policies, practices or guidelines, including the on-going effects of the implementation of the Current Expected Credit Losses ("CECL") standard;
- the lack of a significantly diversified loan portfolio and the concentration in the South Florida market, including the risks of geographic, depositor, and industry concentrations, including our concentration in loans secured by real estate, in particular, commercial real estate;
- · the effects of climate change;
- . the concentration of ownership of our common stocks
- fluctuations in the price of our common stock;
- . our ability to fund or access the capital markets at attractive rates and terms and manage our growth, both organic growth as well as growth through other means, such as future acquisitions;
- · inflation, interest rate, unemployment rate, market, and monetary fluctuations;
- · impacts of international hostilities and geopolitical events;
- · increased competition and its effect on the pricing of our products and services as well as our net interest rate spread and net interest margin;
- · the loss of key employees;
- . the effectiveness of our risk management strategies, including operational risks, including, but not limited to, client, employee, or third-party fraud and cybersecurity-breaches; and
- · other risks described in this presentation and other filings we make with the Securities and Exchange Commission ("SEC").

All forward-looking statements are necessarily only estimates of future results, and there can be no assurance that actual results will not differ materially from expectations. Therefore, you are cautioned not to place undue reliance on any forward-looking statements. Further, forward-looking statements included in this presentation are made only as of the date hereof, and we undertake no obligation to update or revise any forward-looking statements to reflect events or circumstances occurring after the date on which the statements are made or to reflect the occurrence of unanticipated events, unless required to do so under the federal securities laws. You should also review the risk factors described in the reports USCB Financial Holdings, Inc. filed or will file with the SEC.

Non-GAAP Financial Measures

This presentation includes financial information determined by methods other than in accordance with generally accepted accounting principles ("GAP"). This financial information includes certain operating performance measures. Management has included these non-GAPP financial measures because it believes these measures may provide useful supplemental information for evaluating the Company's expectations and underlying performance trends. Further, management uses these measures in managing and evaluating the Company's business and intends to refer to them in discussions about our operations and performance. Operating performance measures should be viewed in addition to, and not as an alternative to or substitute for, measures determined in accordance with GAPP, and are not necessarily comparable to non-GAPP measures that may be presented by other companies. Reconciliations of these non-GAPP measures to the most directly comparable GAPP measures can be found in the 'Non-GAPP Reconciliation Tables' included in the presentation.

All numbers included in this presentation are unaudited unless otherwise noted.

NIM had a slight decrease compared to fourth quarter 2023 due to additional deposit growth and deposit cost.

NIM outlook remains positive:

- · New loan originations with yields above 8.00%.
- · First quarter deposit growth allowed us to price down higher-priced deposits at the end of the quarter.
- Interest-bearing asset growth outpacing interest-bearing liabilities.

Commentary

Salaries and benefits are up due to 3 new FTE, seasonal payroll taxes, and stock-based compensation.

Other operating expenses up \$271 thousand due to \$67 thousand increase in promotional expense to support business verticals, \$60 thousand increase in force-placed insurance, and \$40 thousand increase in property insurance expense.

Non-interest expense / Average assets has improved 11 bps year-over-year.

Efficiency ratio improved for the first quarter 2024 due to higher revenue from a larger loan portfolio and additional wire transfer fee income.

⁽¹⁾ The Company believes these non-GAAP measurements are key indicators of the ongoing earnings power of the Company. (2) Excludes the dilutive effect, if any, of shares of common stock issuable upon exercise of outstanding stock options.

⁽³⁾ Since the Company has no intangible assets, tangible total assets is the same amount as total assets calculated under GAAP.
